**Green Hasson Janks Named 2015 Best Places to Work in Los Angeles by *Los Angeles Business Journal***

LOS ANGELES, CA (August 17, 2015) – Green Hasson Janks was recently named as one of the Best Places to Work in Los Angeles by the *Los Angeles Business Journal* and Best Companies Group. This is the seventh time Green Hasson Janks has been recognized.

Founded in 1953, Green Hasson Janks is one of the oldest independent firms on the west side of Los Angeles. Ranked as a top-20 largest accounting firm on the *Los Angeles Business Journal's* Book of Lists, the firm has 13 partners and approximately 130 staff members that serve over 3,000 clients.

This survey and awards program was designed to identify, recognize and honor the best employers in Los Angeles, benefiting the county's economy, workforce and businesses. The list is made up of 100 companies. For the seventh time since 2008, Green Hasson Janks has been named one of the Best Places to Work in Los Angeles by the *Los Angeles Business Journal*.

To be considered for participation, companies had to fulfill the following eligibility requirements:

- Be a for-profit company, nonprofit business or government entity
- Be a publicly or privately held business
- Have a facility in Los Angeles
- Have at least 15 employees in Los Angeles
- Be in business a minimum of one year

Companies from across the county entered the two-part survey process to determine the Best Places to Work in Los Angeles. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. This part of the process was worth approximately 25 percent of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75 percent of the total evaluation. The combined scores determined the top companies and the final rankings. Best Companies Group managed the overall registration and survey process in Los Angeles, analyzed the data and determined the final rankings.

"I am proud for us to be recognized once again by the *Los Angeles Business Journal*," said Leon Janks, managing partner of Green Hasson Janks. "This recognition is a reflection of our firm's commitment to our core values, especially our continued dedication to 'grow great people.'"

The actual rankings will be revealed at a special event on August 19, 2015, and then published in the August 24, 2015 issue of the *Los Angeles Business Journal*.
